Day 1:

- * May 18- Mt. St. Helens eruption discussion
- * Handout
- * Introduce vocabulary
 - magma chamber
 - vent
 - magma
 - lava (discus where to find)

Day 2:

- * Watch Reading Rainbow, "Hill on Fire"
- * Feel Mt. St. Helen ash
- * Find Mt. St. Helen's on map
- * Draw own volcano-Label

Day 3:

- * Weather permitting use flower vases, baking soda/vinegar to create and erupt volcanoes OOOh and Ahhh time!

Day 4:

- * Discuss what might happen if Coeur d 'Alene had a volcanic event
- * What might happen to our school?
- * What might happen to your family?
 - New ideas.
- * What might you really need to have until help arrives?
- * Make an emergency kit following discussion.
 - Food
 - Shelter
 - Health
 - Safety

Summary:

Plan to write an Excell Grant to provide emergency kits for each child. (Kits will provide items that the kids come up with)
